States that the Byelaws framed by the City Municipal Council relating to the Storage of Films and also in respect of Shops and Showing Salvoirs were again published in local papers and in response thereto no objection was received locally from the Executive Engineer - Water Supply Division and that this objection has been overruled by the Municipal Council and requests Sanction of Govt to the Byelaws

The Bye-laws appe may be approved, subject to the following modification. There does not appear to be any provision in the Mysore City Municipalities Act, 1933, empowering a municipality to provide in a bye-law the imposition of penalties in respect of continuing offences relating to a contravention of the bye-law. The portion bracketted in pencil in the bye-laws may therefore be omitted. If necessary the amount of fine prescribed for the offence may be increased upto Rs 500/-
